RESIDENTIAL AND MULTI-FAMILY COMPOSTABLE MATERIALS
SERVICE; COMPACTOR SERVICE (“COMMERCIAL SOLID WASTE”)**

NOTICE IS HEREBY GIVEN that on July 5, 2016 at 6:45p.m., the City Council of the City of Cupertino will consider an increase to commercial solid waste disposal rates of no more than 5.28%. State and local mandates designed to extend the use and capacity of landfills and reduce negative environmental impacts affect the cost of providing these services. The proposed commercial solid waste disposal rate increase is needed to cover increased cost of processing organic materials collected at commercial businesses and multi-family developments. Organic material includes food and landscape waste. Any questions please contact the City of Cupertino Public Works Department at Phone: (408) 777-3354, Fax: (408) 777-3333. Council meets at 6:45 p.m., Community Hall Council Chamber, 10350 Torre Avenue, Cupertino, California. Interested parties are invited to attend and be heard. If you wish to challenge the action of the City Council in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City of Cupertino at, or prior to, the public hearing.
