

Request for Proposal

Traffic Engineering Services
For On-Call Traffic Data Collection Services
For City of Cupertino

Cupertino is seeking the on-call professional services of a qualified consultant to conduct transportation data collection. Data collection services will be performed on an “as needed” basis. The data collected will assist the City in its transportation planning process.

Interested firms should obtain a full copy of the RFP from the City’s web site at <http://www.cupertino.org>.

Please contact the Department of Public Works for additional information at 408-777-3354.

Proposals are due at the Cupertino City Hall at the Department of Public Works no later than 3:00 p.m. On Friday, September 30, 2016.
