NOTICE OF PUBLIC HEARING:
PROPOSED WATER RATE SERVICE FEE INCREASE**

NOTICE IS HEREBY GIVEN that on February 21, 2017, at 6:45 p.m. the City Council of the City of Cupertino will consider, under a Lease with San Jose Water Company, the reasonableness of an increase in water rates to customers served by the Cupertino Municipal Water System leased to San Jose Water Company, similar to that rate reviewed and authorized by the California Public Utilities Commission for systems owned and operated by San Jose Water Company in other areas within the City. The San Jose Water Company requests that, under the Lease, the Council consider the reasonableness of a 3.83% increase retroactive to January 1, 2017, which is equivalent to what the California Public Utilities Commission authorized. The water service fee for the period of January 1 through March 2, 2017, will be recovered via surcharge on water bills received after March 3, 2017. This surcharge is equivalent to a 3.83% increase had it been implemented January 1, 2017. These rates and charges are administered by San Jose Water Company as the lessee of the system. Rates apply to residential, commercial, institutional, and industrial customers. Answers to frequently asked questions and a history of prior water rate increases may be viewed at www.cupertino/waterrates. Any questions please contact the City of Cupertino Public Works Department at Phone: (408) 777-3354, Fax: (408) 777-3333. Council meets at 6:45 p.m., Community Hall Council Chamber, 10350 Torre Avenue, Cupertino, California. Interested parties are invited to attend and be heard. If you wish to challenge the action of the City Council in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City of Cupertino at, or prior to, the public hearing.
