CITY OF CUPERTINO NOTICE OF PUBLIC HEARING PROPOSED APPROVAL OF NEXUS STUDY AND UPDATE OF TRANSPORTATION IMPACT FEES

NOTICE IS HEREBY GIVEN that at its meeting of Tuesday, November 17, 2020 at 6:45 p.m., the Cupertino City Council will hold a public hearing to consider approving the City of Cupertino 2020 Transportation Impact Fee Nexus Study Update, increasing the City's Transportation Impact Fees, and amending Schedule B of the City's 2020-21 Fee Schedule to incorporate the increased fees. To comply with emergency health orders to reduce the spread of COVID-19, the November 17, 2020 meeting will be a teleconference meeting held in accordance with Governor Newsom's Executive Order No-29-20 at a teleconference and virtual location specified in the agenda for the meeting to be posted at <https://www.cupertino.org/our-city/agendas-minutes>. The City's Transportation Impact Fee (TIF) Program, initiated in 2017, requires the sponsors of development projects to help fund roadway improvements needed to mitigate traffic impacts of their development projects. At the public hearing, the City Council will consider adopting a resolution that would accept a study prepared by the City's independent transportation consultants recommending that the transportation impact fees currently charged by the City should be increased to account for increased costs for construction of transportation infrastructure and the need to fund new transportation projects that were not considered in 2017 when the City initially established the TIF Program.

Date: Tuesday, November 17, 2020

Time: 6:45 PM

Location: Teleconference and virtual location specified in the agenda for the meeting to be posted at <https://www.cupertino.org/our-city/agendas-minutes>
