# 2022 CERT ACADEMY TRAINING

**Join Your Local CERT Today!**

## What is CERT?

Community Emergency Response Team (CERT) members prepare, organize and work together as a team to provide essential services to their community during and after a disaster.

Each City has its own organized CERT program. CERTs strengthen neighborhood resiliency and play a vital role in their City's disaster response efforts.

**NEW  
Hybrid  
Training!**

## NEW Hybrid CERT Academy Training

Hybrid CERT training will include LIVE weekly online learning modules and In-person skills training sessions. Skills taught during the Academy include organizing resources, medical operations, basic search and rescue, how to use a fire extinguisher and damage assessment.

## Participant Commitment

Participants must attend and participate in all LIVE online classes and two (2) In-person skills sessions, and complete the online training to receive a CERT course completion certificate.

**Registration \$35** (includes basic safety equipment)

## 2022 CERT HYBRID ACADEMY TRAINING SCHEDULE

In the event of an area wide disaster, critical infrastructure and emergency services will be impacted. The Community Emergency Response Team (CERT) academy trains residents to prepare for and respond to life-threatening events in their community. CERT members can mobilize neighborhood resources, deliver immediate assistance to victims, organize emergency communications and provide support to first responders.
